

Bear Tracks

WHAT IS BEAR TRACKS?

The Bear Tracks Program provides a safe place for children to stay when parents are at work or have other obligations that make it necessary for early arrival at school or later pick-up times.

The younger students and older students have opportunities for interaction - a benefit for each group. The program also includes a time for studying, recreation and snacking.

Pick-up and drop-off for Bear Tracks is on Barr Street. Parents are required to come inside the building to check their child in and out of the program. This is done to maintain the safest environment for your child.

FEES

The cost of the program includes a \$30.00 registration fee for the year.

Individual rates are \$2.00 per hour, rounded to the nearest half hour and a family rate of \$3.00 rounded to the nearest half hour.

If a child is dropped off after 8 a.m. for the morning session or after 3:30 p.m. for the afternoon session, there is no charge as the registration fee covers these times.
